Bonds and Surety
Ensures compliance while protecting your business.

Your one-stop source for customs and miscellaneous bonds and surety.

Whether you're an importer or logistics service provider looking for customs bonds or looking for other surety bond products such as ERISA/fidelity bonds, construction bonds, lottery bonds, and mortgage lender bonds, Magaya Insurance Services makes it easy to stay compliant and safeguard your business.

Some of our most popular importer bonds are detailed below.:

Single Entry Bond
This type of bond covers the importation of a single shipment. It is required for businesses that infrequently import goods into the United States.

Continuous Bonds
Continuous bonds cover all imports made by a business for a period of one year. It is required for businesses that import goods into the United States on a regular basis.

Warehouse Bonds
Warehouse bonds are required by U.S. Customs and Border Protection for businesses that operate bonded warehouses, in which imported goods that have not yet been cleared by customs are stored.

Foreign Trade Zone (FTZ) Bonds
FTZ bonds are required by U.S. Customs and Border Protection for businesses that operate in foreign trade zones, which are secure areas within the United States that are considered outside of U.S. customs territory for purposes of duty payment.
