

Commercial Automotive Insurance

Protects vehicles and operators from liability.

Enjoy peace of mind with optimal coverage for your cars, trucks, vans, trailers, SUVs, forklifts, cranes, or other vehicles.

Did you know that your personal auto insurance is rarely sufficient to cover vehicles used for business purposes?

In fact, personal auto insurance policies often specifically exclude coverage for commercial use of vehicles.

So, it's crucial for businesses to obtain appropriate commercial automotive insurance to ensure proper coverage for business-related vehicle use.

While each policy is unique, commercial automotive insurance will often provide the following protections:

- Vehicle Damage Coverage
- Liability Coverage
- Medical Payments Coverage
- Uninsured/Underinsured Motorist Coverage
- Equipment Breakdown Coverage
- Cargo Coverage
- Rental Reimbursement
- Hired/Non-Owned Vehicle Coverage
